Direct Colours fast to Light

on Cotton Piece Goods

Direct Colors fast to Light

on Cotton Piece Goods.

The Direct colors illustrated in this card are dyed as follows:
For light shades, additions of 5–10% Glauber Salt Crystals.
For Dark Shades, additions of 20–30% Glauber Salt Crystals.
Temperature 160–195° F. for 1 hour.

The dyestuffs marked with an asterisk are dischargeable with Hydrosulphite.
